

Congratulations!

You have made the right decision choosing a heavy duty Rhino-Vac system for your home. Engineered using the highest quality components, Rhino-Vac sets the standard for convenience and toughness.

Lifetime Limited Warranty

Cana-Vac Systems Inc. manufacturer of Rhino-Vac® central vacuum systems, warrants (to the original purchaser) that the Rhino-Vac power unit body, gaskets and filter shall be free from manufacturer's defect in material and workmanship from the date of purchase until such time the original purchaser ceases to own the system in its original installation. Motor and electrical components are warranted as follows:

Rhino-Vac "L" Series Power Units - 15 Year Limited Warranty - Cana-Vac Systems Inc., warrants the motor and electrical components for a period as follows: (5) years from date of purchase on model on all Rhino-Vac "L" Series models with an additional extended ten year warranty for a **total (15) year warranty** under the provision the unit is serviced and motor carbon brushes are replaced every 5 years of operation from an authorized service center.

Rhino-Vac "LS" Series Power Units - 20 Year Limited Warranty - Cana-Vac Systems Inc., warrants the motor and electrical components for a period as follows: (5) years from date of purchase on model on all Rhino-Vac "LS" models with an additional extended fifteen year warranty for a **total (20) year warranty** under the provision the unit is serviced and motor carbon brushes are replaced every 5 years of operation from an authorized service center.

Rhino-Vac "XLS" Series Power Units - 20 Year Limited Warranty - Cana-Vac Systems Inc., warrants the motor and electrical components for a period as follows: (8) years from date of purchase on model on all Rhino-Vac "XLS" models with an additional extended twelve year warranty for a **total (20) year warranty** under the provision the unit is serviced and motor carbon brushes are replaced every 8 years of operation from an authorized service center.

Rhino-Vac Power Units - Cana-Vac Systems Inc., warrants the motor and electrical components for a period as follows: (8) years from date of purchase on model on all Rhino-Vac "BOOSTER" models with an additional extended twelve year warranty for a **total (20) year warranty** under the provision the unit is serviced and motor carbon brushes are replaced every 8 years of operation from an authorized service center.

To validate your warranty simply return your unit with the original bill (or copy) of sale for, at our option, repair or replacement from a local "authorized" service center. Extended warranties require proof of service receipt. **This warranty is limited to parts only** and does not include consumable items such as bags, belts etc. Any other expressed or implied warranty is not valid. This warranty applies to residential applications and is for the original homeowner and installation only. Vacuuming liquids, construction materials such as dry wall dust, or any other material for which this unit is not designed or removal of the protective filter voids the warranty. If you purchased your unit from an online retailer, all warranty claims must be processed through the online retailer from which it was purchased for warranty eligibility.

This warranty shall not apply if inspection reveals that either the power unit and or accessories have been abused, misused, willfully damaged, damaged by fire, flood or any other act of god. This warranty is valid to the original purchaser only and is valid only with the original bill of sale or copy thereof. This warranty is limited to parts only and does not include shipping charges to the manufacturer if applicable. This warranty applies to residential applications only and does not apply to industrial or commercial applications. Commercial or industrial usage is warranted to be free from defect in material and workmanship for a period of six months from date of purchase, and accessories for six months from date of purchase.
